

PAXTON FOB CLONER

The dedicated standalone device that copies Paxton fobs in seconds

Package includes: 1x Unit. 1x USB Connection cable. 5x Tear Drop Fobs.

- After 2 years in Development we can proudly introduce the TDF1 tear drop or bullet fob duplicator.
- The TDF1 is a dedicated standalone device that will copy a customer's fob in seconds.
- Providing a valuable extra level of customer service to your business.
- With the versatility to be used either static in your retail premises or workshop, or even out on the road using the supplied USB cable.
- Simply drop the fob to be copied into the reader, press the button to read, remove the fob and place a blank fob into the reader and press the button again, its that quick.

TDF1 - FOB COPY UNIT £684.50 +VAT

TDF1 - BULLET FOB £7.70 EACH +VAT
